Petersbourg, October 5, O. S.

THE 29th of last Month the six Deputies from the City of Dantzick had their Audience of the Czarina, and made a very fine and moving Discourse, which has been very much approved by her Czarish Majesty, and there are great Hopes that her Majesty will be graciously pleased to remit some Part of the Money which that City is to pay by the Capitulation. This Court has been taken up almost all this Week in reviewing the three Regiments of Foot Guards, the Regiment of Horse Guards, and the Cadets, before twelve of the French Officers, who have been brought hither from Narva to take their Leave, and thank her Majesty for the many Favours she has been graciously pleased to confer on them during their Stay in this Country. Count Ostein, the Emperor's Minister Plenipotentiary, arrived here the 28th of last Month, and is to have To-morrow his first Audience of her Czarish Majesty.

Madrid, Oct. 25, N. S. On the 18th Instant their Catholick Majesties and the rest of the Royal Family, set out from St. Ildefonso, and arrived the same Day at the Escurial in perfect Health. The Marquis de Bay arrived here the 21st Instant, with the News of the taking of the Castle of Gonzaga, the Garrison of which, consisting of 150 Men, surrendred Prisoners of War. He also brought an Account of the Preparations that were making for opening the Trenches before the Citadel of Messina; upon which his Catholick Majesty was pleased to promote that Gentleman to the Rank of Lieutenant General. The Marques of Villa Garcia, Brother to the Patriarch of the Indies, has been appointed Viceroy of Peru, in the Room of Sig. Armendariz who is recalled. On the 21st Instant the Marques de la Paz, Councellor and Secretary of State, died here of an Apoplectick Fit, in the Fifty First Year of his Age. This being her Catholick Majesty's Birth-Day, the same has been observed at Court with the usual Solemnity; and his Excellency Sig. Patino treated upon this Occasion the Foreign Ministers, and several other Persons of Distinction.

Hague, Nov. 12, N. S. By Letters which arrived here last Night from Berlin, the King of Prussia had himself ordered the Manner of his Funeral, and given the Prince Royal his Advice on several Points. Letters from Worms advise, that the Germans were preparing to abandon that Town upon the Motions of the French, who were drawing Troops together in the Neighbourhood, after having secured the Forage and Ammunition that had been prepared for the French Troops. The Assembly of the States of Holland remains fixed to Wednesday next.

Whitehall, October 29, 1734.

Whereas on Sunday Morning last, between the Hours of Two and Four, the House of Rowland Allen, Master of Allen's Coffee-house, in Church Court, St. Martin in the Fields, was robbed by three Men masqu'd, of Money and Goods to a considerable Value: His Majesty, for the better discovering and bringing to Justice the Persons concerned in the said Robbery, is pleased to promise his most gracious Pardon to any one of the Criminals who shall discover his Accomplices, so as they, or any of them be apprehended and convicted thereof
